PRAYER FOR A SUCCESSFUL MARRIAGE

Father I know that marriage is designed by you, that is why I am praying for success in my marriage. Satan is the enemy, and his purpose is to destroy what has been designed by you. Therefore, I resist any influence injecting anger, fear, or strife in the mighty name of Jesus, focusing on the favorable qualities of my mate and respect him/her when their behavior is bad. For you said in your word, be ye angry but sin not and do not let the sun go down on your wrath. Help us to work our differences out before the day has ended O God, because the irritating traits of my mate is a motivation to learn. From this day forward I will seek to establish divine order and a godly atmosphere in my home. Father, I know that being married isn't easy, so help me to please my mate and think before I speak. A quite wrath cools all anger. Give us the desire to work on meeting the needs of each other and make sure he/she is my number one priority. Teach me O God, to respect my mate, and exercise authority when my home is under attack. Give me a desire to invest time in discovering the goals, dreams, gifts, and potential of my mate and watch who I let into my marriage because some people will befriend me with intentions of breaking up my home, the word calls these people strange women and men. Give me to know who does or who does not have our best interest at heart concerning us and our marriage. Give us godly relationships and help me to never betray a shared confidence from my mate with others or complain about him/her to others. Help us to forgive, forgive, and then forgive. As a husband, I will allow my wife to be a helpmeet and equal partner in our marriage and I will serve my wife [Ephesians 5:21] . As a wife I will encourage my husband to spiritual headship without preaching to him. Father help us to preserve the unity in our home. In Jesus name we pray AMEN!!!!

Prayer for Your Husband

Father, I come boldly before Your throne of grace in the name of our Lord and Savior, Jesus Christ, lifting up my husband. You said in Your Word, "a faithful man, who can find?" Father, I confess Your Word that my husband is first of all, a man of God who is faithful unto You, and then faithful unto his wife and his family. I thank You that my husband is a man of God, who loves You with all of his heart, soul, strength and might. I confess that he is a man of God who seeks to know You more and draw near to You. I pray that You would keep his heart – to allow nothing to come between or separate his love from You, or his love from his family. I confess that my husband is a good provider for his home. I confess that he is a man of God who leads our home in wisdom, love, and the fear of the Lord. I thank You that he is a man of God who seeks Your face daily for divine directions, instructions, and guidance concerning his life and his family. I pray that as he seeks Your face, that You would be a lamp unto his feet, a light unto his path, and guide him with Your eyes and Your Spirit, as You order his footsteps for our home and our lives.

I thank You that my husband is a man of God who studies to show himself approved unto to You, O God, a workman that need not be ashamed, one who knows how to rightfully divide and skillfully use the Word of truth. I pray that as he studies Your Word, that You would give him revelation knowledge concerning Your Word so that he may teach and instruct his family in the Word and the ways of the Lord. Father, I thank You for assigning Your ministering angels to be encamped around my husband (continually) to protect him, watch over him, and fight for him. I also thank You for giving them a charge to keep my husband in all his ways – spiritually as well as physically.

I thank You that my husband loves me, even as Jesus Christ loves the church and gave himself for the church. And even as my husband loves me, I thank You that I shall love him and submit myself unto him as unto Christ. Father, as Your love is renewed for us every morning, I pray that You would bless our love to be renewed for You each day. And, as our love is renewed for You, bless our love, desire and passion to be also renewed and revived for one another each and every day. May there never be a dull moment with my husband, and may the time I spend with him bring joy and excitement to my heart.

As You renew the strength of the eagle, I pray that You would renew his strength. Give him strength in his coming and his going out – at home, at work, and about. And, by the stripes of Jesus Christ, I confess that he walks continually in good health all the days of his life. I confess Your Word that my husband is crucified with Christ; nevertheless, he lives; yet it is not him that lives, but Jesus Christ living in him; and the life which he now lives in the flesh, he lives by the faith, power, strength and anointing of the Lord, Jesus Christ. Father, I pray that You would keep my husband from falling, and present him faultless with exceeding joy. May You keep him from falling to the strange woman, and from falling to the spirit of lust and seduction. I pray that You would lead him away for temptation, and deliver him from every snare and trap of the adversary.

I thank You for the authority You have given us in Christ Jesus; and with that authority, I bind every demonic spirit, every principality, and every spirit of wickedness in high places from my husband's life. I pull down every stronghold in his life, and I cast down every evil and satanic imagination. Satan, I command you to loose every hold from my husband's life, and I render you helpless, powerless, inoperative, and ineffective to operate in his life in any area, or hinder his life in any way, by the authority of the name of Jesus Christ.

Prayer for Your Wife

Father, I come boldly before Your throne of grace in the name of our Lord and Savior, Jesus Christ, lifting up my wife. You said in Your Word, "whoever finds a wife, finds a good thing and obtains favor with You." I thank You Father that You have given me a good thing by blessing me with my wife; and I pray that we find favor with You, through first of all our love for You, and then our love for one another. I thank You that my wife is a blessing to me in every way. I thank You that she is truly a virtuous woman, her price is far above rubies, and strength and honor are her clothing. I thank You that she does me good and not evil, and she shall continue to do me good all the days of our lives together.

I thank You that she opens her mouth with wisdom, and in her tongue is the law of kindness. I confess that my wife looks well to (takes well care of) her husband, her children and her household, and does not eat the bread of idleness. Father, I pray that You would bless me to continually cherish and love my wife as Jesus Christ loves the church, and gave himself for the church. As I love my wife, I thank You that she also loves me and submits herself unto me as unto Christ. I pray that You would bless me to always be pleased with my wife, and bless her to intimately satisfy me at all times, even to the point to where I am ravished with her love.

I thank You Father that my wife is clothed in beauty and charm; and my eyes are drawn only to her, and enticed only by her. I thank You that my heart safely trusts in her and I desire her so, that I have no need, want or desire of spoil from any other woman. I thank You Father that I am not lured or drawn to look upon or lust after the strange woman. I pray that in my wife, are the desires of my heart and my eyes. I thank You that in my eyes, my wife is the most beautiful woman in the entire world, and there is none other as desirous or as beautiful as she. May You help me to never look upon my wife in a negative way. But as I look upon my wife, may I only see my love for her, and the glory of the Lord upon her all the days of our lives together.

Father, as Your love is renewed for us every morning, I pray that You would bless our love to be renewed for You each day. And, as our love is renewed for You, bless our love, desire and passion to be also renewed and revived for one another each and every day. May there never be a dull moment with my wife, and may the time I spend with my wife bring joy and excitement to my heart. As You renew the strength of the eagle, I pray that You would renew my wife's strength. Give her strength in her coming and her going out — at home, at work, and about.

I thank You Father that my wife seeks You and all of Your righteousness first and foremost in her life; and I pray that You would keep her strong in You, and in the power of Your might. And may You keep her strengthened, established, and settled in You, Your anointing, and Your power. I thank You Father that she is a woman of prayer, who prays effectually and fervently with prayer and supplications, and she studies Your Word to continually show herself approved unto You, O God, a workman that need not be ashamed, knowing how to rightly divide and skillfully use the Word of truth.

I thank You for the authority You have given us in Christ Jesus; and with that authority, I bind every demonic spirit, every principality, and every spirit of wickedness in high places from my wife's life. I pull down every stronghold in her life, and I cast down every evil and satanic imagination. Satan, I command you to loose every hold from my wife's life, and I render you helpless, powerless, inoperative, and ineffective to operate in her life in any area by the authority of Jesus Christ.

A SINGLE BELIEVER WHO DESIRES TO BE MARRIED

Psalm 37: 4 Delight yourself in the Lord, and He will give you the desires of your heart.

Father, I trust You with all the fiber of my being. The desire of my heart is to be married to the man/ women You have selected for me. I commit my way unto You, for I know you will direct my path. I know You care for me therefore, I am giving You all my cares and concerns about marriage, and I thank You for taking them away from me as I yield them to You.

Now I am asking You to work in the life of my future mate so he/she will know Your will and be prepared for marriage. I am praying for myself and my future mate, asking that we both will be, transformed by the renewing of our mind so we both will walk in Your good, perfect, and acceptable will concerning our marriage.

Help me to be wise and understanding about Your will which is revealed in Your word. As I learn to seek Your will, including my desire to be married.

I believe that all things do work together for good in my life because I love You and You have called me according to Your purpose.

IN JESUS NAME I PRAY AMEN

A PURITY PRAYER FOR MEN AND WOMEN

Father, on the authority of Your word I decree and declare that I am a new creature in Jesus Christ. I repent of my former sins, receive Your forgiveness and renew my mind. I have replaced my old thoughts and habits with Your thoughts and plans for me.

I was a sinner, separated from Your Son. But now in Him I have been drawn near because of the blood that He shed on the cross that took away my sins. I confess that Jesus is my Master and Lord and I believe in my heart that You raised Him from the dead. Therefore, I have been engrafted in Christ. I am a new creation. Therefore, the old me has passed away. Behold, the new me has come.

Now I can have the confidence to enter Your place of rest by the Blood of Jesus Christ. I draw near to You Lord, with a sincere heart and a assured faith, my heart has been sprinkled to cleanse my guilty conscience and my body has been washed with pure water. I will hold on to the hope I now profess for He who promised it is faithful. And I will think of ways to spur others on toward love and good deeds. I will not separate myself as some are in the habit of doing; rather, I will encourage others to follow the path of purity.

Father, I am Your son/daughter, and You have poured out Your Spirit upon me, and I will prophesy about Your divine counsel, Your Kingdom, and Your righteousness. Because I have been forgiven. Therefore, I will not worry about my past sins.

As Your son/daughter I thank You for Your grace and mercy, not giving me what I deserve. Because I have been changed, no weapon that is formed against me shall prosper.

Father, I submit to Your will for my life, because Your ways are higher than my ways. Your thoughts are broader than my thoughts and You have caused me to agree with Your will, and for that, I thank You. Now, my plans will be established in me, and I shall succeed. Since I have a crowd of men and women of faith watching me. I have stripped off anything that will hold me down or hold me back. especially those sins that will try to trip me up and run this race with patience, keeping my eyes on Jesus. **IN HIS NAME I PRAY, AMEN!!**

WHEN YOU NEED TO KNOW YOU ARE LOVED

1 John 4: 18-19 “ There is no fear in love ; but perfect love casteth our fear: because fear hath torment. He that feareth is not made perfect in love. We love Him, because He first loved us”.

There is no fear in love dread does not exist, however, full grown love is complete, and perfect and expels every trace of terror! Because fear brings with it the thought of punishment, and those who are afraid has not reached the full maturity of love and has not grown into love's complete perfection.

Heavenly Father, how grateful I am that You loved the world so much that You gave Your only begotten Son, and whosoever believes in Him will not perish [suffer death, complete ruin, or destruction]. Thank You O God for loving me even when I don't feel loved. Help me to remember that You first loved me. My faith enables me to love myself and others. Father, I receive Your love and I ask that You will help me to follow Your commandments because of Your love. I want to serve You well and please You. You saved me and made me a new creation; therefore, I can love others as You have loved me. By experiencing Your love and sharing it with others, people will know that I am a disciple of Jesus Christ.

Your perfect love has cast out all fear from my life, including the fear of not being loved. For your love is limitless and will last forever. Massage my heart O God by rubbing it and kneading it until it is ready to receive the power of Your Holy Spirit whom You have given to me. Only then will I be able to comprehend with all the saints the full extent of Your love that surpasses all understanding [human knowledge].

Strengthen me by Your Spirit in my innermost being. Keep rooting and grounding me in Your marvelous and inspiring love.

IN THE NAME OF JESUS, I PRAY A'MEN!!!!
